

Language Arts: Write to an Astronaut

Student Worksheet

Write a friendly letter to an astronaut. A list of career astronauts can be found at: www.jsc.nasa.gov/Bios/astrobio.html. This link will also provide you with information about former astronauts, international astronauts and cosmonauts.

NASA astronauts work at the Johnson Space Center in Houston, TX. You can write to astronauts at the following address:

(Astronaut's Name)
Astronaut Office CB
NASA JSC
2101 NASA Rd. 1
Houston, Texas 77058

If you would like to contact an astronaut that has retired from the Astronaut Corps, we suggest that you write to the following address:

Correspondence Clerk
Public Affairs Office Library
Mail Code AP4
Johnson Space Center
Houston, TX 77058

*Be sure to include a return address. Astronauts usually send a short letter back to the student along with a photo of themselves.
