

Conducting An Interview

Teacher Information

Background Information

Students will practice writing questions for an interview and then conduct an interview with those questions.

Preparation

Students should complete *The 5 W's* prior to this activity.

Materials

- Student Sheet (1 copy per student)
- Pencils

Procedure

1. Students should review “The 5 W’s” and keep in mind that a story should be able to answer all of those questions.
2. Students will brainstorm a list of at least 6 questions that they would ask someone in an interview about the best vacation they have ever been on.
3. Students will brainstorm a list of at least 6 questions that they would ask someone in an interview about the worst injury they have ever had.
4. Students will brainstorm a list of at least 6 questions that they would ask someone in an interview about how to make a peanut butter and jelly sandwich.
5. After writing all of their questions, students should choose one set of questions and interview another student and record his/her answers.

Conducting An Interview

Student Sheet

Objective

To practice writing questions for an interview and then conduct an interview with those questions.

Materials

- Student Question Sheets
- Pencils

Procedure

1. Review “The 5 W’s” and keep in mind that a story should be able to answer all of those questions.
2. Brainstorm a list of at least 6 questions that they would ask someone in an interview about the best vacation they have ever been on.
3. Brainstorm a list of at least 6 questions that they would ask someone in an interview about the worst injury they have ever had.
4. Brainstorm a list of at least 6 questions that they would ask someone in an interview about how to make a peanut butter and jelly sandwich.
5. After writing all 3 sets of questions, choose one set of questions and interview another student from your group and record his/her answers.
