1	Our school was warmly welcomed and materials (manifests, gift shop orders, etc) were collected quickly upon arrival by staff member/volunteer.	5	4	3	2	1	NA
2	The CLC staff was able to answer our questions about the facility and the day's schedule.	5	4	3	2	1	NA
3	In mission control, the Flight Director's instructions were clear.	5	4	3	2	1	NA
4	In mission control, the Flight Director was friendly and put the students at ease.	5	4	3	2	1	NA
5	In mission control, Flight Director challenged students to think.	5	4	3	2	1	NA
6	In spacecraft, the Flight Director's instructions were clear	5	4	3	2	1	NA
7	In spacecraft, the Flight Director was friendly and put the students at ease.	5	4	3	2	1	NA
8	In spacecraft, the Flight Director challenged students to think.	5	4	3	2	1	NA
9	Students who completed preflight training in classroom learned to communicate more effectively during their mission.	5	4	3	2	1	NA
10	Students who trained with their team members in the classroom cooperated well as team members during the mission.	5	4	3	2	1	NA
11	Students who worked on problem solving activities during pre-flight training effectively applied these skills throughout their mission.	5	4	3	2	1	NA
12	Students applied the math, science and technology skills that they learned in the classroom to their mission scenario.	5	4	3	2	1	NA
13	As students progressed through their mission, their sense of confidence and self-esteem escalated.	5	4	3	2	1	NA
14	During the mid-brief, the Flight Director comfortably guided students through the data and decision making process.	5	4	3	2	1	NA
15	During the post-brief, students were lead to understand the importance of continuing their education.	5	4	3	2	1	NA
16	After attending a Teacher Training Workshop, I knew better what to expect when my students flew their mission.	5	4	3	2	1	NA
17	After training my students four-six weeks in the classroom, I am better able to identify their best learning style.	5	4	3	2	1	NA
18	This experience reinforces the importance of hands-on activities and simulations in the classroom.	5	4	3	2	1	NA

19 Please indicate any preflight activities that were successful.

20 Please indicate any preflight activities that were unsuccessful.

Mission Assessment (continued)

21 Please indicate the following in regard to the mission participants:

GENDER	ETHNICITY(provide # of)	ECONOMIC STATUS OF SCHOOL DISTRICT (check only one)
# of boys _____	_____ African American	_____ above poverty level
# of girls _____	_____ Asian American	_____ at poverty level
	_____ Hispanic American	_____ below poverty level
	_____ Native American	
	_____ White	
	_____ Other	

22 Please explain how funds were generated for your mission at the Challenger Learning Center.

23 Your general comments about the student mission...

If you participated in a package option through the Challenger Learning Center, please complete the following assessment. Your input will assist us in providing additional worthwhile and educational opportunities to your students.
