

Student Name _____ Date _____

WHO GOES?

Directions. You are the commander of the transport for the first trip to Mars. The trip will take 16 months travel time, there and back. After arriving on Mars, your crew will have to stay at least two years. Therefore, the trip to Mars will take a total of almost three and a half years. There is room for 11 people on board the spacecraft. You have a list of astronauts with expertise in a wide range of areas. Which of the following volunteers would you choose to take with you and why? Remember that you may only choose 10 people to join you.

Priest	Brittany Spears	Bill Gates	Dentist
Beautician	Teacher	Doctor	Musician
Lawyer	Computer Analyst	Artist	Newscaster
Salesperson	Athletic trainer	Movie star	Mechanic
Inventor	Mayor	Truck driver	Scientist
Biologist	Hermit	Counselor	Comedian
Chef	Astronomer	Engineer	Dog
Designer	Mother-to-be	Brother/Sister	Mom
Dad	President	Michael Jordan	Policeman
